

IMPORTANT INFORMATION FOR RV GUESTS – PLEASE READ!!

CABLE BOXES - You will be required to use a digital box for cable now. We have them to borrow, a deposit is needed.

Wi-Fi - Basic wi-fi for emails and surfing the web is free. Using Netflix or other streaming will result in overload on wi-fi service. If you are staying for an extended period of time you can contact SHAW for personal internet service. You may be in an area that doesn't get a wi-fi signal. The adult rec-hall will have a signal that you can check your email.

TENTS- Only in designated areas. With Unit where permitted max. 8' x 8' Tent only- max 10' x 12'

PICNIC SHELTERS-max. 10' x 10'no walls; **NOT permitted on lighthouse berm.**

SEWER SYSTEM -The sewage treatment system expansion is now complete throughout the park. The system is fairly extensive, with an outfall to the ocean, there are many chemicals that can be harmful to its operation.

We sell Westchem Zymeout, Crystal Blue & Walex Bio-Pak drop-ins for \$16.95 **or you can use nothing at all.**

Sewer adapters are required to hook-up ALWAYS

If you're using a product not on this list, you will need to dump prior to occupying a site

The following is a list of **Approved chemicals** that we have confirmed may be used with our Sewage treatment system.
